About Neoen

Founded in 2008, Neoen is France's leading and one of the world's most dynamic independent producers (IPP) of renewable energy. With an installed capacity close to 3 GW in operation or under construction, Neoen is a high-growth company. Neoen is active in France, Australia, Mexico, El Salvador, Argentina, Zambia, Jamaica, Mozambique, Portugal, the USA, Finland and Columbia. It operates Europe's most powerful solar PV farm (300 MWp in Cestas, France) and the world's largest lithium-ion power reserve in Hornsdale, Australia (100 MW/129 MWh storage capacity). At the beginning of 2019, Neoen launched the construction of the largest (375 MWp) and the most competitive solar project in Mexico. Neoen is targeting more than 5 GW capacity in operation and under construction by 2021. Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed since October 2018 on the Compartment A of the regulated market of Euronext Paris.
