Neoen implements of a liquidity agreement

Neoen entrusts Kepler Cheuvreux to act as Liquidity Provider, from 3 December 2018 until 31 December 2019 and with tacit renewals for successive terms of twelve (12) months thereafter.

Kepler Cheuvreux shall be appointed to buy and sell shares for Neoen on the Euronext Paris regulated market. The terms and conditions will be set forth under a liquidity agreement, with ordinary shares (Paris-Code ISIN FR0011675362).

For the implementation of this liquidity agreement, the following have been allocated to a liquidity account:

- 1,500,000 euros.

The liquidity agreement will comply with AMF Decision n° 2018-01 dated 2nd July 2018 2018 introducing liquidity agreements on equity securities as permitted market practice.

About Neoen

Founded in 2008, Neoen is France's leading and one of the world's most dynamic independent producers (IPP) of renewable energy. With a current capacity of more than 2 GW already in operation or under construction, and a further 1 GW of projects formally awarded and secured, Neoen has doubled its size in over just 18 months. Neoen is active in France, Australia, El Salvador, Zambia, Jamaica, Portugal, Mexico, Mozambique, Finland and Argentina and has assets in more than 15 countries. It operates Europe's most powerful solar PV farm (300 MW in Cestas, France) and the world's largest lithiumion power reserve in Hornsdale, Australia (100 MW/129 MWh storage capacity). At the end of 2017, Neoen won one of the largest (375 MW) and the most competitive solar project in Mexico. Neoen is targeting 5 GW capacity in operation and under construction by 2021. Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed since October 2018 on the Compartment A of the regulated market of Euronext Paris.
