

Financial controller (M/F) - Finland

About Neoen

Neoen is one of the world's leading independent producers of exclusively renewable energy. Neoen has 5.4 GW of solar, wind and storage capacity in operation or under construction in Australia, France, Finland, Mexico, El Salvador, Argentina, Ireland, Portugal, Jamaica, Mozambique, and Zambia. The company is also active in Croatia, Ecuador, Italy, Sweden, and the USA. Neoen's flagship assets include France's most powerful solar farm in Cestas (300 MWp), and two of the world's largest lithium-ion batteries: Hornsdale Power Reserve (150 MW / 193.5 MWh) and Victorian Big Battery (300 MW / 450 MWh), in Australia.

In Finland, Neoen has started its development and shows great ambition for the future. Neoen's key assets are Mutkalampi wind farm (404 MW) and Yllikkälä Battery (30 MW / 30 MWh).

A player in the fight against global warming and the energy transition, Neoen's mission is to design and implement the means to produce the most competitive renewable electricity, sustainably and on a large scale. As a responsible company whose long-term vision is reflected in a strong and sustainable growth strategy, Neoen is targeting 10 GW capacity in operation or under construction by end of 2025.

Neoen (ISIN Code: FR0011675362, ticker: NEOEN) is listed in Compartment A of the regulated market of Euronext Paris.

Your mission

In order to manage the financial aspects of Neoen in Finland and support the development of the business in the country, we are looking for a permanent **Financial Controller** to be based in Helsinki. You will report to the Finance Manager - Finland and will focus on financial and business reporting, internal control and corporate matters for Finland.

Our team in Finland is increasing and we offer you a chance to grow with us. You will have a challenging role, and a chance to learn and grow professionally, and truly impact our processes and procedures. You will work in an international company with highly skilled colleagues.

You will be responsible for:

FINANCIAL PROCEDURES AND STATUTORY COMPLIANCE

- Coordinating financial information between local business team, external accounting team and supervise the work of the latter
- Processing invoices and payments
- Ensuring proper controls of accounting operations (Invoicing of Electricity generated, monitoring of receivables, payments, etc.)
- Enhancing the accuracy of the annual financial statements and ensure that reported results comply with local GAAPs
- Involvement in the external audits
- Giving inputs and assisting in implementing internal control

BUDGET AND REPORTING

- Assisting in the budgets and forecasts preparation, including the monthly follow-up and update of the construction budget and cash position
- Analyzing variances of actuals versus forecast and budgets
- Preparation of the monthly reporting and cash flow forecast, and semi-annual consolidation packages of the country (including P&L, CAPEX, cash flow and forecasts) and ensure that reported results comply with Group procedures

TAXES

- Ensuring proper control of local tax returns prepared by local external accountants
- Assisting in the review of tax aspects in financial models

CORPORATE FINANCE AND BANK RELATIONSHIP

- Prepare debt drawdowns during construction
- Prepare debt covenants calculation and mandatory operational and financial reports

Your profile

You hold a degree in finance and have a 3 to 6 years' experience in audit or financial roles, ideally in energy or infrastructure. You know the Finnish Gaap and have a good knowledge of Finnish taxes.

You are reliable, autonomous, rigorous and analytical, with a good business sense and proven communication skills. You have good leadership skills and are precise.

You fluently speak Finnish and English (written and spoken), French would be a plus.

Conditions

Permanent contract

Based in Helsinki (you may be required to travel to Paris from time to time)

Starting date: as soon as possible
